Bookings: Amanda Blade M: 07984189135 | E: amanda@freshaudio.tv

With almost a decade of experience working within the field of Production Sound, I began my career in Technical Theatre & stage production. Due to a keen interest in Television Broadcast and as a lover of the outdoors and travelling, I transferred into Location sound in 2015.

I have a wealth of experience ranging from recording on Commercials and Documentaries to Scripted Dramas and large scale Reality Multi Camera setups. With excellent audio knowledge & a wide range of sound equipment, which includes multitrack recorders & mixing consoles, radio microphone systems and a variety of microphones & in ear monitoring systems.
